NATIVE FUSCHIA

(ARRETHE)

1. Today all the children went to cut Native Fuschia bush medicine up on top of the hill.
2. They cut a big mob of it and brought them back and put it in a heap on the ground. Then they sat down and had a rest.
3. After a while they started to crush the leaves up with stones to be put with water and boiled to wash their sores with.
