Subject: CDU relinquishes publication rights former CDU Press titles and deposits with Northern Territory Library

Dear Dr Farram,

We are writing to inform you that the CDU Press ceased its operation a few years ago. After careful consideration, CDU has decided to relinquish its rights to the titles back to the respective authors under the "Out of Print" clause of CDU Press agreements. CDU will be depositing the master copies with Northern Territory Library under the federal legal deposit scheme for long term access and preservation. This will ensure the items are preserved and accessible into the long term and will allow authors to be paid royalties directly by the Copyright Agency Limited (CAL) rather than Charles Darwin University.

The titles you have published with CDU Press are:

- 1 Farram, Steven (2010). A Short-lived Enthusiasm: The Australian Consulate in Portuguese Timor. (1 ed.) Darwin: CDU Press.
- 2 Farram, Steven (2007). Charles 'Moth' Eaton: Pioneer Aviator of the Northern Territory. Darwin, N.T.: Charles Darwin University Press (CDU Press).
- 3 Farram, Steven (2010). Locating Democracy: Representation, Elections and Governance in Timor-Leste. Darwin, N.T.: Charles Darwin University Press (CDU Press).

If you have any question regarding this matter, please do not hesitate to contact the Digital Collections Team at digitisation@cdu.edu.au .
