I come from Amoonguna to I.A.D. for work. Every morning they pick us up with the bus.

Ammoonguna is about 11 miles out on the Ross River road. If you want to go to Amoonguna you can go past the Caravan Park and then drive on to the Ross River road, go past the houses on the side of the road, and then turn to your right to Amoonguna.

Ammoonguna is near Emily Gap. If you want to go to Emily Gap you can walk there.

All the people at Amoonguna often go swimming at Emily Gap, but on Saturday and Sunday only the little boys go there to swim.
